

## **Carer & Parent Feedback – November 2017**

“Please pass my heartfelt thanks to all who worked with my child and got him to this point. A few years ago I really thought I would never see the day where my little boy would love going to school and telling me all about the things he has done...

He is in a wonderful place and that is down to the hard work put in over the past few years by you and your staff.”

**PARENT OF Y6 STUDENT**

“I would recommend Silverdale School for any child who needs extra help. My child has improved significantly with his social interaction, confidence and behaviour since going to the school, he is happy. I would be happy for my other children to go there to.”

**PARENT OF Y6 STUDENT**

“Staff are very skilled, compassionate and committed.”

**PARENT/CARER**

“Helped bring my son back from a negative spiral downwards. Alongside CAMHS, provided a context where he was accepted where he was, with no judgement and was able to benefit from behavioural strategies and start to manage his own behaviour.”

**PARENT/CARER**

“We cannot thank the staff enough for all their help and support through extremely difficult times.”

**PARENT/CARER**

“Staff were very open and helpful and responded very quickly to any questions/worries we had. Communication with school was very good.”

**PARENT/CARER**

“We did not feel that Silverdale ARP was going to be the best environment for a child with Asperger’s but we were offered lots of support and our child benefitted from the support he received.”

**PARENT/CARER**

“The situation in his previous primary school became untenable. Our child benefitted from the support he received and also did very well and his SATS at Silverdale. He would never have got into his current high school without the time spent at Silverdale.”
